

How to Create a Login to our Online Community First Focus

- Set up your account (username and password) by going to firstfocus.ccbchurch.com to get to our church online community login page.
- On the login page, select “Request Account” under the blue login button.
- Follow the instructions of the popup to enter your name and email address along with your mobile number and cell provider.
- NOTE: you need to enter the email address on this popup that we have in our database for you or you will not receive an automatic email activation in the next step. The email we have for you in our database is the email at which you currently receive all emails from the church.
- Next you will receive a login activation e-mail, allowing you to set up your password.
- The username from this e-mail and the password you set up are what you will use to login to First Focus, our church’s online community.
- Refer to the following pages for basic information on how to navigate in First Focus.
